## Instructions for Ordering Magazines Online

Select the **Magazines--Order Here** tab on the home page of the GAC website (*located at the bottom of the middle column*). This will take you to the [Great American Opportunities'](#) website.

Enter the School online ID #---2539708. Click **Next**.

Type 'No student' in place of the first name, type 'selected' in place of last name (since we are no longer giving prizes to individual students). Click **Shop**.

This will link you to the shopping page for Great American Opportunities (*QSP, our longtime magazine company, sold their assets to GAO earlier this year*)
